## 2022 NAPA VALLEY CABERNET SAUVIGNON

### HARVEST NOTES

The 2022 growing season brought both opportunities and challenges. It began with below-average rainfall paired with mild, cool temperatures, resulting in an even budbreak and flowering. Limited rainfall and warm weather produced small, concentrated berries and a lower-than-average yield—but the quality remained exceptional. Precision irrigation and careful vine management were vital throughout the season. A warm summer with two late heat spikes led to an earlier harvest, all wrapped up in a narrow window.

### TASTING NOTES

The 2022 Heimark Vineyard Cabernet Sauvignon is an elegant and refined expression of the vineyard, exhibiting an understated yet captivating profile. Mouth-watering black summer fruits are layered with aromas of violet, lavender, and rose petal that intertwine with savory notes of fennel blossom, dried sage, sandalwood, and cedar. The palate unfolds with layers of racy dark fruits, pomegranate, and a touch of blood orange, balanced by earthy undertones of loam, iron, and fresh nutmeg. Vibrant acidity and polished tannins contribute to the finesse that this vintage offers.

*The wine is delicious now with decanting and it is beautifully proportioned to reward aging for ten to twenty years.*

#### *Antonio Galloni, Vinous*

*"The 2022 Cabernet Sauvignon is a seriously beautiful wine. Dark, ample and layered, it unfurls in the glass with dark red fruit, rose petal, pomegranate, iron, white pepper and spice. The 2022 doesn't have the structure or depth of the more important years, but I am not sure that is such a bad thing. This is very good." (Dec 2024)*
