2023 NAPA VALLEY CABERNET SAUVIGNON

HARVEST NOTES

The 2023 vintage will be remembered for its ease. Ample winter rainfall recharged the soils and set a calm, steady tone for the growing season—we even saw snow on the mountains as late as February 24. It was one of those years when everything arrived on cue: heat when the vines needed it, temperatures that stayed in the sweet spot, and enough groundwater to keep stress low. The vines were content. That kind of consistency yields a beautiful, “low-and-slow” vintage—grapes that ripen evenly and retain freshness. Harvest began on the west side of the vineyard on September 28 and wrapped up on October 2.

TASTING NOTES

The 2023 vintage will go down in history as one of the best in Napa Valley. The culmination of plentiful winter rains and a long cool growing season gave way to a wine that is poised, vibrant, and energetic. Mouth-watering freshness defined by blood orange, pomegranate, and lavender intertwine with savory notes of fennel blossom, sage, chaparral, and tobacco, creating a wine that is both balanced and deeply refined. The tannins are polished and generously sculpted, yielding a wine of richness that imparts a sense of amplitude and tension.

The wine is delicious now with decanting and it is beautifully proportioned to reward aging for ten to twenty years.

Antonio Galloni, Vinous

“The 2023 Cabernet Sauvignon marries finesse and power. Dark-toned fruit, lavender, graphite, pencil shavings, espresso, chocolate and dried herbs are beautifully amplified in the glass. The 2023 offers tons of depth and energy. Beams of persistent tannin are impeccably woven into the wine’s fabric. Impressive.” (November 2025)

2023 VINTAGE INFORMATION

Harvest Date: September 28 - October 2, 2023

Release Date: September 15, 2026

Sourcing: Heimark Family Vineyard

Varietal Composition: 100% Cabernet Sauvignon

Alcohol: 14.8%

Wine Produced: 693 cases
